

Sacramento Entrepreneur Bootcamp Brings Business Training, Funding Strategies, and Networking to Local Community

Sacramento, CA — June 6, 2026

The Sacramento Entrepreneur Bootcamp, hosted by Gold Business Center, will take place on Saturday, June 6, 2026, at the Sacramento Youth Center. This one-day event is designed to bring together entrepreneurs, aspiring business owners, and professionals for a full day of business training, networking, and real-world opportunities.

The event features six focused training sessions covering essential topics such as starting a business with little or no money, building business credit and accessing funding, creating business plans using AI, and developing systems to scale and grow. Attendees will also have access to a vendor marketplace, networking opportunities, and an evening mixer designed to foster connections and collaboration.

In addition to the educational components, the event includes a welcome reception, a fully included lunch, and an evening networking experience featuring vendors, food, music, and a live pitch segment.

The Sacramento Entrepreneur Bootcamp was created to provide a practical, action-oriented environment where participants can move beyond theory and begin building or improving real businesses. The event is designed to support individuals at various stages, from those just getting started to those looking to grow and scale.

The event is hosted by Ny'Acies Thomas, founder of Gold Business Center, an organization focused on helping individuals develop, structure, and grow their businesses through strategy, resources, and support.
